FHP Color Guard has been confirmed for the luncheon

Bill will be checking with last year table sponsors to see if they will be reserving tables this year.

**Program:** *Bob Glazman* – Jon Kemp relayed that the April Meeting will be held at the Rusty Pelican. Holly Wade will be attending the luncheon for a round table discussion.

**Seminar:** *Mike Middlebrooks* –

Mike reviewed the Evaluation of the seminar with the Board. Overall good ratings.

Venue was excellent and food was late but good.

Classes received great reviews with the exception to computer crime.

CPP, PCI and PSP received very good ratings

Seminar Committee met on 4/4/07 to evaluate the Seminar and came up with the following proposed changes:

- 1) change date to the beginning to middle of February to avoid the spring break holiday,
- 2) Improve advertising and marketing by having a committee member specifically for that task.

Advertise S/O fees earlier next year through S/O companies and DI Schools

Contact ASIS International Corporate to determine if we can advertise our event with them and if they will place the information in their magazines, etc.

Create specific tracks next year and possibly have other organizations co-sponsor with us such as the Hospital, Retail and other industries.

Create a refund policy.

Repeated speakers went very well so they may continue that thought process.

Mailing to general membership will be reduced next year due to lack of participation and excessive cost to get the information out. Will attempt more email notifications.

**Legislative Liaison:** *Patty Schmitt, CPP* – Updated Board on PIRSAC and FASCO. FASCO is presenting the request for DOT to assign amber/green light pattern to security and legislation is doing very well with no opposition. Detention Bill for S/O's is being delayed until next year session due to a committee issue. PIRSAC will be holding a public meeting with the training committee on June 6<sup>th</sup> at 0800 hours at the Hawthorn Suites/Orlando Airport (7450 Augusta National Drive, Orlando FL 407-438-2121) The training committee will be discussing changing the curriculum for the D and G course. On the following day, June 7<sup>th</sup>, PIRSAC will be meeting for their quarterly meeting at the same venue at 0900 hours.

**IB Hale:** NTR

**Industry Relations:** *Jim Mahoney- NTR*
